## Alabama state legislators to visit Marshall Saturday

**O**n Saturday, nearly 100 state legislators and spouses will visit Marshall. The group will tour the Space Station Manufacturing and Assembly Facility to view International Space Station flight hardware and the Microgravity Research Program biotechnology and glovebox experiment. At Test Area 6, they will witness a launch assist demonstration.

**Veterans may volunteer for Veterans Day Parade by calling 544-0090**

**Complete CFC information on 'Inside Marshall' Web site**
